

David design

BOWIE
Claesson Koivisto Rune
David design

Product information

Bowie was the first product from the Swedish success designers Mårten Claesson, Ola Rune and Eero Koivisto. It was also the very first product from David design which was one of the most important cornerstones for success of the New Nordic Style in end of 1990:s. Today is Bowie an iconic piece of art and is represented at the most international interiors all over the world.

Bowie is today available in oak natural or stained/oiled. A range from unpolstered to full polstered versions.
